

# LIVING CELEBRATIONS

A Special Life is a Masterpiece

## Welcome

**W**hen someone important reaches a major milestone in life, it can be difficult to sum up just how much they mean to you.

At Living Celebrations, we offer a unique, personalized way for families, companies, and organizations to honor their special people. Working closely with you, we transform your stories, photos and memorabilia into a distinctive work of fine art that captures the essence of the life you wish to honor.

**OUR CUSTOMIZED MASTERPIECES ARE PERFECT FOR MARKING THE IMPORTANT CELEBRATIONS IN LIFE:**

- 🌿 A significant milestone for a loved one:  
Birthday, Anniversary, Retirement
- 🌿 The honoring of a decorated military hero
- 🌿 The retirement of a valued executive or employee
- 🌿 An expression of gratitude for the support of a valued donor

Each piece we create is a treasured heirloom that commemorates the past while celebrating the present. Give a gift that will be cherished by generations to come.

To ensure the highest level of service, we will be launching a secure website in early 2005. Be sure to bookmark this page and visit us soon!
